

# Please help protect our facility!

**Flushing of non-flushable products can  
cause serious plumbing problems.**

Proper disposal is critical to our facility's operations.

**SAGE**  
PRODUCTS INC.

- 1. DO NOT FLUSH** pre-moistened washcloths, towels, diapers, etc.
- Flush toilet paper only.
- Do not dispose of non-flushable items in bedside commodes.
- Put non-flushable items in the trash.
- You can help educate patients and family members about proper disposal. When using a Comfort® Personal Cleansing product, remind patients and family members not to flush.
- Sage Products is providing free educational materials for display in patient rooms and bathrooms. Please post the materials to reinforce the message ...  
**“Don’t Rush to Flush!  
You’ll Strain the Drain!”**
